HDYO Ambassadors

November 24, 2021

HDYO has more information about
HD available for young people,
parents and professionals on our
site:

www.hdyo.org

Our Ambassadors are a group of young people from across the globe. They are leaders and advocates in the HDYO community. The aim of the group is to volunteer, raise awareness of HD and fundraise for HDYO.

The group launched in April 2021 and meet each month. They are truly global coming from Canada, South America, US, Europe, Australia and The Middle East.

They share their experiences and aim to connect the HD community to show they are not alone. They are focusing on a number of campaigns throughout the year including sharing Top Tips to help others, outlining their own journeys, developing fundraising campaigns, to keeping their fingers on the pulse of the latest in HD.

Our Ambassadors want to connect the entire global community. We're always looking for more people to help. Please join us - email info@hdyo.org to get involved.
